when all I ve carried for days is the same old doubts

Well I d tell you if I had a plan			
	G	Bm	A
only you re one of those with your head in the sand

While I don t feel so afraid			
	G	F#m	
maybe this is just some kind of phase			
	G	A	
but I don t care about the wind in my face

cos I m not alone these days

Could I tell you how I hear those sounds

well I ve been roaming the streets with my head in the clouds

I won t need to show you my heart

cos all I need in my hands is an electric guitar

Well I thought you understood

that friends like these won t ever do me no good

as I have never known the people I should

[Chorus 2]

cos I m not alone these days

no I m not alone these days

I m not alone these days

no I m not alone these days
