

Down To The River
Bernard Fanning

Tabbed by: Masterblaster
Email: *

Tuning: EADGBE

This is the most of it. The other tab was good but wasn't finished and was a little bit to play so I've simplified for all. You'll have to listen to the song to get the timing but these are all the notes. The chorus is a little iffy but it still sounds very close to the recording.

Part 1: This is the nice soft bit where all is calm and it's just Bernard and the guitar.

Intro

```

e |-----0--3-0-----0--0-----0-1-0-----|
B |-----1-1--1-1-----1-1--3-1-----1-1--1-----|
G |-----|
x3
D |-----1/2-----2/3-----|
A |-2/3-----|
E |-----|

```

Verse ? Same as intro

```

e |-----0--3-0-----0--0-----0-1-0-----|
B |-----1-1--1-1-----1-1--3-1-----1-1--1-----|
G |-----|
x2
D |-----1/2-----2/3-----|
A |-2/3-----|
E |-----|

```

Lyrics: * out the storm, take on the wave, don't run, run, run
 The winds gonna blow and the ground's gonna shake then it's gone,
 gone, gone
 * not to mourn, shake off the pain don't run, run, run
 The world's gonna spin and the earth's gonna quake then it's done,
 done, done

Chorus

```

e |-3---3---1---1-----1-----0-----|
B |---1-1---1-1---1-1---1-1---1---1-1-1-1-----|
G |-----2---2---0-0---3-3---2-2---0-0-----|
x2
D |-----|
A |-1-----3---1---0---3-----|
E |-----1-----1-----|

```

Lyrics: If I ask you tenderly will you follow me down to the river
 I'll let you down I'll break your wings
 If you follow me down to the river

Note: All of this is played twice through. After the chorus the end bit of the chorus is through about six times and then it goes into part 2.

Part 2: This is the bit where he gets nice and loud and everyone joins in. I think he uses distortion, phaser and tremolo as effects for this part so if you got those give em a whirl and see if you can get it right. Remember: The forward slash between the chords at the top of the tab is a slide from chord to chord.

```

      C   F   D#       F           D#/F  F/D#  C
e|-----|
B|-----|
G|-----10--8---8--10---10--8/10--10/8-----|
x4
D|-10--10--8-8----10-10-----8/10--10/8--10-----|
A|-10--8---6-----8-----6/8---8/6--10-----|
E|-8-----8-----|

```

Lyrics: I've got it all, all ahead of me now
 A pattern's gonna form and the wind's gonna blow me down

Well that's it. After part 2 it goes back to part 1 with the band playing this time the verse is used for the lyrics and it fades out with the end of the chorus. This is an song from a great album. If you haven't got it it's worth getting.
