

## Shelter For My Soul

Bernard Fanning

Am G Em F C  
At the end of my days, when i m called to go  
Am G Em F C  
Into the open arms of the holy ghost  
Am G Em F C  
to have lived such a life as i have known  
Am G Em F C  
Fortune follows me, but i m brave no more

Am G Em F C  
For my great mistakes, i will surely pay  
Am G Em F C  
I m running low, and the devil s on my trail  
Am G Em F C  
When fate delivers me, all i m asking for  
Am G Em F C  
is a place to rest and shelter for my soul

Am G F  
If i could spend my days  
Em C  
free from the prison of your gaze  
Am G F  
then i could die a happy man  
Am G F  
If i could spend my days  
Em C  
free from the shadow of my name  
Am G F  
then i cold die a happy man

Am G Em F C  
When i am released from this mortal low  
Am G Em F C  
i ll take my leave, but i don t want to go  
Am G Em F C  
When fate delivers me, all i m asking for  
Am G Em F C  
is a place to rest and shelter for my soul.
