Thrill Is Gone-Bernard Fanning

**A** **E**  
Sure was a hell of a mistake I made  
But I sure am glad that I made it  
No way for a grown man to behave  
More the act of a teen opportunist  
**G#m** **A** **B**  
I stand accused of losing my head

**E** **B** **A**  
We sit so high on the city walls  
Our tears wash clean the cobblestones  
It s not so much that the thrill is gone  
**B** **C#m** **D**  
Just a cleaner, sweeter, brighter thrill has come  
**A**  
along

I can sense trouble just around the bend  
And it s all benn my kind of making  
I can t carry on with all this pretence  
When it s clear that my love has been fading  
I stand accused of the things I said  
**E** **B** **A**  
We sit so high on the city walls  
Our tears wash clean the cobblestones  
It s not so much that the thrill is gone  
**B** **C#m** **D**  
Just a cleaner, sweeter, brighter thrill has come  
**A**  
Along
