Bernard Fanning - Wish You Well

D G A D G A

Up so early feels so bright

D G A D G A

Didn't get much sleep last night

Em D G G A

Freight train rattled through my head

D G A D G A

Whistle blowing love instead

D G A D G A

Instead

D G A D G A

D G A D G A

Heart attack by fear and doubt

D G A D G A

Wont be long till the truth comes out

Em D G G A

First impressions never last

D G A D G A

Lovers bonds they hold so fast

CHORUS

Em G

Restless future burning bright

A D

I'm just holding on so tight

D Em

Never heard the warning bell

D G A D G A

And I just wanna wish you well, And I just wanna wish you well

D G A D G A

Welcome swallows dip and swing

D G A D G A

Take the queue from the slightest thing

Em D G G A

Rolling fog into my room

D G A D G A

Why'd you give up on me so soon?

D G A D G A

So soon?

CHORUS

Em G

Restless future burning bright

A D

Iâ€™m just holding on so tight

D Em

Never heard the warning bell

D G A D G A

And I just wanna wish you well, And I just wanna wish you well

D G A D G A

Whyâ€™d you give up on me so soon

D G A D G A

Whyâ€™d you give up on me so soon

D G A D G A

And I just wanna wish you well
