

**Space In My Heart**  
**Bernhoft**

I llike to play the C like this:

e----|  
b--3-|  
g--4-|  
D--2-|  
A--3-|  
E----|

Intro: C, G

Verse:

**C**

Floating right by me in a velvet dress

**G**

She seems so totally out of the place in outer space

**C**

I must be delusional, a real head case

**G**

because the lunar surface is the wrong address in such a dress

**C**

**Am**

**Em**

**C#m**

But i saw her eyes, she was real, was she wearing that dress just for me

**C**

and i m all inside out now

Chorus:

**G**

**C**

**F#m**

there is a space in my heart

**G**

**C**

**F#m**

**B**

an infinite casing of da---rkne---ss

**Em**

**C#m**

there is a space in my heart

**C**

waiting to be filled by her

Verse:

**C**

I surfed on comets through cosmic debris,

**G**

still here I am a alone at the sea of tranquility

without a chance to get home the only place for me  
 is inside this helmet that i m living in and breathing in  
 but i saw her eyes, she was real, did she sky rocket out here just for me  
 and It s all inside out now

Chorus:

there is a space in my heart  
 an infinite casing of da--rkne---ss  
 there is a space in my heart  
 waiting to be filled by her

Bridge:

dark matter clustered in a Phoenix way  
 im--plosions on a galactic scale

Guitar (Han) Solo: C, Am, Em, C#m, C

Final Chorus:

there is a space in my heart  
 an infinite casing of da--rkne--ss  
 there is a space in my heart  
 i see her face in the stars  
 supernovas in pulsars  
 there is a space in my heart  
 I can t get out of it

Outro: Em(Em7), A(A7) (x9)

Tabbed by: Me

this is a good song... which is obvious cause you are here wanting the chords.

Thank you --Hunter Schneider
