

Blackbird In The Morning

Bert Jansch

Tabbed by Jamie Phillips (*)

Track title: Blackbird in the Morning

Album: From the Outside

Tuning: EADGBE

This tune is played with a dotted 8th feel. As usual, Bert displays a little variation here and there so listen to the recording if you want to get it down note for note. I have divided the tab into 2 sections; verse and chorus. The sections are repeated as on the record.

3/4 time
