

Tell Me What Is True Love

Bert Jansch

Tabbed by Jamie Phillips (*)

Album: Rosemary Lane

Tuning: EADGBE

Short and sweet this one, but beautifully haunting and full of atmosphere. It s also really easy to play and makes for a great right hand picking exercise! There are are number of ways you can pick it; I prefer using my first two fingers, with the thumb playing the bass notes. You may prefer just to use your thumb and forefinger, or give the other fingers a workout by using various combinations. Make sure you let notes ring out as much as possible.
