

The Road To Travel
Bert Sommer

Intro: **G**

G **Em**
Here it is, it s summertime
F
Still I haven t felt my sigh
C **G**
And the years are over too, since I m gone
G **Em**
And my daddy wonders why
F
How I look and make him proud
C **G**
But I ll carry on his name when he dies
Em **F**
Though the years of headache pain
C
I ll continue on the game
G **Em** **F**
To the further road that I can travel tonight
C **G**
Find my peace, of mine

Em
Papa says it s straightened out
F
Look in what my life s about
C **G**
Try to use the head that god once gave you
G **Em**
And he says I ll be content
F
If I take the road he went
C **G**
But I would never blame him for what I do

Em **F**
Livin in a house that s high
C
It makes you feel your hands are tied
G **Em**
I only wish I knew when I could make and break it
F **C** **G**
Finally get inside

Em
Miss the tone you second now

F **C**
Surely you will make me fall

G **Em**
But you ll drive me into takin your hand

(**F** **C** **G**)

G
On the road that I ve been bound

Em
It seems it s time I settled down

F **C** **G**
I gotta stop relying on tomorrow

G
All I wanna do is sleep

Em
Every day is like a week

F **C** **G**
I gotta find some kind of rules to follow

G
And my daddy wonders why

Em
How I look and make him cry

F **C** **G**
But I ll carry on his name when he dies
