

One In a Million

Burn, baby, burn
D A
Right up against that wall
Bm
Run, baby, run

Everyone thought you d crawl
Bm
Sisters of sin
G Bm A
Sugarpop-shots cause you get what you deserve
G Bm A
Hoping to god that he still has got the nerve

Sweet, baby, sweet
No matter how high you jump
Back on your feet
Pounding that crystal lump
Sisters of sin
Sugarpop-shots and a dagger in her hand
Hoping to god that he still is in command

(Refrão:)

Em D A
One in a million smiles for you
Em D A
One in a million eyes so true
Em D
Well, it seems you can t be bothered
A
Cause you re always standing tall
Em D A
More than a million ways to fall
Bm
To fall, to fall...

(mesma base do verso:)

Follow my lead
Baby, I ll get you there
Swallow your pride
Cover your breaming fear
Sisters of sin
Sugarpop-shots and a needle in her eye
Hoping to god he will slowly pass you by
