

**Stuck in Reverse**  
**Bertine Zetlitz**

Intro: **Bm G**

**A Bm**  
Seems the prescription pills you swallow  
**G**  
Makes decision making hard to do  
**A Bm**  
You keep on running round in circles  
**G**  
Doing steps like you don t have a clue  
**A Bm**  
What s with that almost nervous breakdown  
**G**  
At a time you should be standing tall?  
**A Bm**  
And how you say it doesn t matter  
**G ( G F#m )**  
Your assistant gets you through it all

**Em F#m**  
All is said and done  
**G**  
You still had your fun

(Refrão:)

**A Bm**  
Keep on talking, talking, talking  
**A G**  
Cause it s easier than be in still  
**A**  
It s so much easier than showing  
**A**  
You don t have the skill  
**F#m G**  
Just like a record broken, baby  
**A**  
You re stuck in reverse  
  
Talking, talking, talking,  
You don t really ever make no sense  
It s like you never had to face a single consequence  
Like a record broken  
You are just stuck in reverse

**Bm**                    **G**  
Keep talking to me  
                         **Bm**  
Talking to you  
                         **G**  
Talking to me

(mesma base do verso:)  
It seems you ve come to the conclusion  
You prefer the silence over noise  
There is no pressure  
  Cuz your trusted fans and family  
Think you lost your voice

**Em**                                **F#m**  
All is said and done  
**G**  
You still had your fun

(Refrão)

( **Bm A G A F#m G A** )

**Bm**                    **A**        **G**  
Keep talking to me  
                         **A**  
Talking to you  
                         **F#m**  
Talking to me  
**G**                    **A**        **Bm**
