Twisted Little Star
Bertine Zetlitz

Intro: **C#m G#**

C#m   **G#**
I took your time like I ve always been
C#m   **G#**
Trying to, trying to
C#m   **G#**
Was out of mine, so easy for
C#m   **G#**
Me to do, yeah, to do

(Pre-refrão:)
B   **A**
Just needed to be powerful and sweet
B   **A**
Just needed to make my world complete
B   **A**
Just needed more than you could give
B
I ve got lots of fancy tricks to make this last forever

(Refrão:)
C#m   **A**
Will you still remember
   E   **B**
Twisted little star, darker shining?
C#m   **A**
Silently surrender
   E   **B**   **C#m**
Twisted little smile, twisted s gonna last a while

(mesma base do verso:)
I made you weak like I know I m
Supposed to do, yeah, to do
You never speak cause you know I don t
Want you to, yeah, you do

(base do pré-refrão:)
Just needed someone fresh to hold my hand
Just needed someone new to understand
I just needed a face to ease the flow
There must be a million ways to make this last forever

(Refrão)

C#m
Twisted little star...

(pré-refrão:)
Just needed every smile that you could give
Just needed every lie that you would give
Just needed...

(Refrão)

Twisted little star, darker shining...
Silently surrender   (C#m)
Twisted little smile, twisted s gonna last a while
