Gm **Em**
Oh, oh, baby I want you to know
Gm
How good it feels to be with you
Em
But I ll never let it show
Am
Because the moment that I tell you
Gm
You turn right around
Am
And then I ll never see you again
Gm
As my heart s pulled out

Gm **Em**
Oh, oh, baby I want you to know
Gm
Just how much I like you
Em
But I ll never let it show
Am
Because the moment that it happens

You ll disappear
Am
And then I ll feel real stupid
Gm
And I ll go back to sleep

How good it feels to be with you
