**C**  
I don t know how

**G**  
To tell you I love you

**Am**  
To tell you I miss you

**F**  
To tell you I care

I don t know how  
To tell you it s right  
When it feels so wrong  
For you to be near

And I don t know why  
The sun s in the sky  
The rain, it falls down  
Down onto the ground

I ve been in trouble  
I m feelin down

But please tell me now  
You re stickin around

I ve seen a million things  
I ve been around town  
And what I know now  
Since you ve been around

Though I m so young

I ve been through the summer  
Stuck around for the cold
