

**Last Year
Best Coast**

This is my favorite song off of the new album, and like all Best Coast songs, it's pretty simple. Besides the Em, it's all barre chords, and you should try to mute the higher strings. Then again, if you're playing on an electric guitar with a bunch of distortion like they are, you're probably fine either way.

Chords: (t=10, w=12)

Fm	Gm	Dm	Bbm	Cm
x	x	x	x	x
x	x	x	x	x
3	5	0	8	t
5	7	2	t	w
5	7	2	t	w
3	5	0	8	t

Intro: **Fm Gm Fm Dm** x2
Bbm Cm Bbm Gm x2

Fm **Dm**
I used to believe in diamonds and things

Fm **Dm**
I used to believe in you and me

Bbm Gm Bbm Gm
But now I believe in no--thing

Fm **Dm**
I used to wake up in the morning

Fm **Dm**
And reach for that bottle or glass

Bbm Gm
But I don't do that anymore

Bbm Gm
Kicked my habits out the front door

Instrumental: Repeat Intro (this part sounds higher because Bethany is picking the high e string in the same pattern:
-3-3-3-3-5-3-0-0-0-0-0-0--(x2)--8-8-8-8-t-8-5-5-5-5-5-5-(x2)-)

The other verses are played the same way:

And I'm always talking to somebody else
She doesn't even know my face
I don't know how I feel
I'm all over the place
And when I go out I don't feel anything

I just keep on spending my money
One day it will be gone
And then I ll have to write another song

Instrumental (Intro)

What a year this day has been
What a day this year has been
Please don t get me wrong
I just don t know where time has gone
What a year this day has been
What a day this year has been
Please don t get me wrong
I just don t know where my mind has gone

Instrumental (Intro x2)

Outro: Vocal patterns adapted to the same verse structure. Listen and you ll get it easy.

End on **Fm**
