

Mean Girls
Best Coast

Key: G

Capo: None

G **Em**
I sat with you and talked about
G **Em**
The things I couldn't live without
C **D**
And you told me
G **Em**
I wasn't happy, yet
G **Em**
You picked me up from off the ground
G **Em**
We ran around that awful town
C **D**
I told you things
G
I never told anyone

Em **C**
You said you were fine
Em **C**
But then you changed your mind
Em **C**
Don't know where you went,
G
But I know that you left

G **Em**
Ahhhhhhh
G **Em**
Ahhhhhhh
C **D**
Ahhhhhhh
G
Ahh

G **Em**
I know you're telling everyone
G **Em**
The things I said and that I'm dumb
C **D**
But I know you
G **Em**

Like no one else does, remember?

G **Em**

And when I think about that day

G **Em**

I know the sky turned an awful gray

C **D**

Cause you were the storm

G

On my parade, always

Em **C**

You said you were fine

Em **C**

But then you changed your mind

Em **C**

Don't know where you went,

G

But I know that you left

(2x)

G **Em**

Ahhhhhhh

G **Em**

Ahhhhhhh

C **D**

Ahhhhhhh

G

Ahh

Em **C**

No, I'm not perfect yet

Em **C**

At least I don't pretend

Em **C**

To be the world's best friend

G

I know you won't admit it but I wish that you would quit it, oh

(5x)

G **Em**

Why, why do you hate me, why,

G **Em**

Why do you hate me,

C **D** **G**

Whyyyyyyyyyyyyyy
