

**Over The Ocean**  
**Best Coast**

**E** **B**  
Flying over the ocean always makes me feel  
**A**  
So alone, so alone  
**E** **B**  
I remember looking out the window  
**A**  
Seeing nothing but blue and gray  
**E** **B**  
Flying over the ocean always makes me feel  
**A**  
So alone, so alone  
**E** **B**  
I remember looking out the window  
**A**  
Thinking I can't, thinking about leaving  
**E** **B**  
Flying over the ocean always makes me feel  
**A**  
So alone, so alone  
**E** **B**  
I remember looking out the window  
**A**  
Seeing nothing but blue and gray
