

Something In The Way  
Best Coast

C                      Am              C              Am  
Everybody s always talking, asking me why  
Dm    C  
I dont know what to say, he s not my guy  
C                      Am              C                      Am  
Though I m always walking you never notice me  
Dm    C  
You didn t even think I feel a thing

C                      Am      C                      Am  
Something in the way, something in the way  
Dm    C  
There s something in the way you say my name  
C                      Am      C                      Am  
Something in the way, something in the way  
Dm    C  
There s something in the way you say my name

C                      Am                      C                      Am  
I know the sun is shining, but I wish that it was dark  
Dm    C  
You don t even listen when I talk  
C                      Am  
I know you re pretty pleased  
C                      Am  
You re pretty pleased with me  
Dm    C  
I just want to sit around and talk all week

C                      Am      C                      Am  
Something in the way, something in the way  
Dm    C  
There s something in the way you say my name  
C                      Am      C                      Am  
Something in the way, something in the way  
Dm    C                      Am  
There s something in the way you say my name  
C                      Am  
You say my name (repeat until the end of the song)

end on C
