

**The Road**  
**Best Coast**

Intro: **B, C, B, C, G**

**B** **C**  
I remember when I was younger

**B** **C** **G**  
I used to sit around and think about you

**B** **C**  
And though I m older I still wonder

**B** **C** **G**  
Where you are and do you think about me

**C** **G**  
Though the road has changed

**C** **G**  
We are still the same

**C** **B** **E**  
I wish we could make it work

**C** **G** **C**  
But you re already gone

**G, C x4**

**B** **C**  
Do you remember when you told me

**B** **C** **G**  
That you would love me forever

**B** **C**  
So how come now when I see you

**B** **C** **G**  
You act like you don t even know me

**C** **G**  
Though the road has changed

**C** **G**  
We are still the same

**C** **B** **E**  
I wish we could make it work

**C** **G** **C**  
But you re already gone

**G** **C**  
Already gone

**G** **C**  
Already gone

**G** **C**  
Already gone

**G** **C**  
Already gone

**G** **C**  
Already gone

**G** **C**  
Already gone

**G** **C**  
Already gone

**G**  
Already gone
