

The Road
Best Coast

Intro: **B, C, B, C, G**

B **C**
I remember when I was younger

B **C** **G**
I used to sit around and think about you

B **C**
And though I m older I still wonder

B **C** **G**
Where you are and do you think about me

C **G**
Though the road has changed

C **G**
We are still the same

C **B** **E**
I wish we could make it work

C **G** **C**
But you re already gone

G, C x4

B **C**
Do you remember when you told me

B **C** **G**
That you would love me forever

B **C**
So how come now when I see you

B **C** **G**
You act like you don t even know me

C **G**
Though the road has changed

C **G**
We are still the same

C **B** **E**
I wish we could make it work

C **G** **C**
But you re already gone

G **C**
Already gone

G **C**
Already gone

G **C**
Already gone

G **C**
Already gone

G **C**
Already gone

G **C**
Already gone

G **C**
Already gone

G
Already gone
