

**The Road
Best Coast**

Intro: C, C#, C, C#, G#

C C#
I remember when I was younger

C C# G#
I used to sit around and think about you

C C#
And though I m older I still wonder

C C# G#
Where you are and do you think about me

C# G#
Though the road has changed

C# G#
We are still the same

C# C F
I wish we could make it work

C# G# C#
But you re already gone

G#, C# x4

C C#
Do you remember when you told me

C C# G#
That you would love me forever

C C#
So how come now when I see you

C C# G#
You act like you don t even know me
