

The Road
Best Coast

Intro: C#, D, C#, D, A

C#	D
I remember when	I was younger

C#	D	A
I	used	to sit around and think about you

C# **D**
And though I m older I still wonder

C# **D** **A**

Where you are and do you think about me

D	A
Though the road has changed	

D	A
We	are
still	the
same	

D	C#	F#
I	wish	we
could	make	it
work		

[illegible]

A, D x4

C#	D
Do you remember when you told me	

C#	D	A
That you would love me forever		

C#	D
So how come now when I see you	

C# **D** **A**
You act like you don't even know me

D **A**
Though the road has changed

D **A**
We are still the same

D **C#** **F#**
I wish we could make it work

D **A** **D**
But you re already gone

A **D**
Already gone

A **D**
Already gone

A **D**
Already gone

A **D**
Already gone

A **D**
Already gone

A **D**
Already gone

A **D**
Already gone
