The Road
Best Coast

Intro: **C#**, **D**, **C#**, **D**, **A**

C#   **D**
I remember when I was younger

C#   **D**   **A**
I used to sit around and think about you

C#   **D**
And though I m older I still wonder

C#   **D**   **A**
Where you are and do you think about me

D   **A**
Though the road has changed

D   **A**
We are still the same

D   **C#**   **F#**
I wish we could make it work

D   **A**   **D**
But you re already gone

A, **D** x4

C#   **D**
Do you remember when you told me

C#   **D**   **A**
That you would love me forever

C#   **D**
So how come now when I see you

C#   **D**   **A**
You act like you don t even know me

```
D                         A
Though the road has changed

D                       A
We are still the same

D                     C#          F#
I wish we could make it work

D                         A        D
But you re already gone

        A        D
Already gone

        A        D
Already gone

        A        D
Already gone

        A        D
Already gone

        A        D
Already gone

        A        D
Already gone

        A        D
Already gone

        A
Already gone
```
