

I Scare Myself
Beth Crowley

[Verse 1]

Bm G
They say I m crazy
 D **F#**
But the whole word has gone mad
 Bm G
They think I m dangerous
 D **F#**
I might agree with that

[Pre-Chorus]

Bm **A** **G**
When everything i touch will break
Bm **A G**
Loving you is my escape
Bm **A G**
So come on and give me what I crave
 D
I want it
 A
I want it
 F#
Do you want it?

[Chorus]

Bm G D
I scare myself
 F#
With the way that I need you
Bm G D
There s no one else
 F#
Tell me that you can feel it too
BM G D
I d crawl through hell
 F#
If it meant I could keep you

I scare myself
