How long did I know you for, I don t know why you had to go,

Amaj7

If only you had told her, the words to enfold her, long ago!

[Harmonica break]

She took a breath, and she...never spoke, the words tasted like to know,

But you can take, and you can see there s never e - nough of love, or destiny!

But don t look back from day to day, what I noticed wasn t me,

Strangers, they ll part again, they ll never know,

For all the years they ve dis - guised inside,

Knowing their years of loss remain!
