Lyric:

I seen myself with a dirty face,  
I cut my luck with a dirty ace  
I leave the light on  
I went from zero to minus ten  
I drank your wine then  
I stole your man  
I leave the light on,  
I leave that light on.

Daddy ain t that bad he just plays rough  
I ain t that scarred when I m covered up  
I leave the light on  
Little girl hiding underneath the bed was it something I did  
Must be something I said  
I leave the light on, better leave the light on.

I wanna love  
I wanna live  
I don t know much about it  
I never did 17 and I m all messed up inside  
I cut myself just to feel alive  
I leave the light on 21 on the run  
on the run on the run from myself

From myself and everyone  
I leave the light on, I leave the light on  
Better leave the light on.

Cause I wanna love  
I wanna live  
I don t know much about it  
I never did,  
I don t know what to do, can the damage be undone  
I swore to God that I d never be what I ve become  
Lucky stars and fairy tales  
I m gonna bathe myself in a wishin well  
Pretty scars from cigarettes  
I never will forget, I never will forget  
I m still afraid to be alone  
wish that moon would follow me home  
I leave the light on

I ain t that bad I m just messed up

I ain t that sad but I m sad enough

God bless the child with the dirty face who cuts her luck with a dirty ace

She leaves the light on, I leave that light on
