Lyric:

I seen myself with a dirty face,
I cut my luck with a dirty ace
I leave the light on
I went from zero to minus ten
I drank your wine then
I stole your man
I leave the light on,
I leave that light on.

Daddy ain t that bad he just plays rough
I ain t that scarred when I m covered up
I leave the light on
Little girl hiding underneath the bed was it something I did
Must be something I said
I leave the light on, better leave the light on.

I wanna love
I wanna live
I don t know much about it
I never did 17 and I m all messed up inside
I cut myself just to feel alive
I leave the light on 21 on the run
on the run on the run from myself

From myself and everyone
I leave the light on, I leave the light on
Better leave the light on.

Cause I wanna love
I wanna live
I don t know much about it
I never did,
I don t know what to do, can the damage be undone
I swore to God that I d never be what I ve become
Lucky stars and fairy tales
I m gonna bathe myself in a wishin well
Pretty scars from cigarettes
I never will forget, I never will forget
I m still afraid to be alone
wish that moon would follow me home
I leave the light on

I ain t that bad I m just messed up

I ain t that sad but I m sad enough

God bless the child with the dirty face who cuts her luck with a dirty ace

She leaves the light on, I leave that light on
