Leave The Light On Beth Hart

Leave The Light On (Bjarne Schmidt, DK)

E/G# Α

I seen myself with a dirty face,

I cut my luck with a dirty ace

I leave the light on, I leave the light on

E/G#

I went from zero to minus ten

Bm

I drank your wine then, I stole your man

D I leave the light on, I leave that light on.

F#m D E

E/G#

Daddy ain t that bad he just plays rough

I ain t that scarred when I m covered up

I leave the light on, I leave the light on

Little girl hiding underneath the bed

Was it something I did, must be something I said

Bm

I leave the light on, better leave the light on.

F#m

I wanna love, I wanna live

I don t know much about it

Dm

I never did, no no

17 and I m all messed up inside

I cut myself just to feel alive

I leave the light on, I leave the light on

21 on the run, on the run from myself

From myself and everyone

I leave the light on, I leave the light on

Better leave the light on.

F#m Α

Cause I wanna love, I wanna live I don t know much about it DmI never did, F#m I don t know what to do, can the damage be undone I swore to God that I d never be what I ve become Lucky stars and fairy tales I m gonna bathe myself in a wishin well Pretty scars from cigarettes D/E I never will forget, I never will forget I m still afraid to be alone Wish that moon would follow me home I leave the light on, I leave the light on I ain t that bad I m just messed up I ain t that sad but I m sad enough
