

**My California**  
**Beth Hart**

My California

[Intro]

**E A E**

[Verse]

**E**

Calling California,

**A E**

Is there anybody home.

**E**

Hello California,

**A B**

Would you please pick up the phone.

**E**

I wanna say I love you,

**A E**

but I m a million miles away.

**E**

I am thinking of you,

**A B**

I miss you and L.A.

[Chorus]

**C#m**

For you and you alone,

**B C#m**

I ll lay my monsters down.

**B A**

We ll watch the sun come up over California

**C#m**

For you and you alone,

**B C#m**

I ll find my way back home.

**B A**

I love you like the sun loves California,

**A E**

My California..

[Verse]

**E**

I have made you suffer,

**A E**

Left you waiting in the rain.

**E**

While I was chasing demons

**A B**

Through the deserts of my pain.

**E**

But you know me better than the

**A** **E**

poison in my veins,

**E**

So my love remember when

**A** **B**

God forgets my name.

[Chorus]

**C#m**

For you and you alone,

**B** **C#m**

I ll lay my monsters down.

**B** **A**

We ll watch the sun come up over California

**C#m**

For you and you alone,

**B** **C#m**

I ll find my way back home.

**B** **A**

I love you like the sun loves California,

**A** **E**

My California..

[Verse]

**A** **E**

I wanna feel the ocean breeze,

**A** **E**

And let the waves wash over me.

**B** **C#m**

I ll leave my winters in the sand

**B**

Hey California..

**A**

California..

[Chorus]

**E**

For you and you alone,

**A** **E**

I ll lay my monsters down.

**H** **A** **E**

We ll watch the sun come up over California

**E**

For you and you alone,

**A** **C#m**

I ll find my way back home.

**E** **B** **A** **E**

I love you like the sun loves California, California

**C#m** **B** **A**

My California..

**E**

My California..

**A        E**

My California..

[Outro]

**A   E**
