

**Take It Easy On Me**  
**Beth Hart**

This is what I think on the guitar resembles the chords the best.  
For finding the chords I used this video on youtube:  
[http://www.youtube.com/watch?v=h09h0\\_9qKuc](http://www.youtube.com/watch?v=h09h0_9qKuc)  
I do advice you to play the chords (except for the Em) barred because that resembles the tone of the song a lot better.  
How to play the intro, listen to the song and try and figure out that yourself.  
I m a disaster when trying to make tabs, so I stick with the chords on this one. When you want to play the single notes (intro, and in between a couple times) the Em could be swapped for a C barred: (3-5-5-5-3-3)  
Not sure about this one, since the chord seems to be Em.  
I m not perfect, so if there is anything tell me in the notes/comments below.

Beth Hart " Take it easy on me

**Em C G Bm**

**Em**  
God bless this,  
**C**  
God bless that.  
**G Bm**  
God I miss you now.

**Em**  
All the people left,  
**C**  
when the blue sky crashed  
**G Bm**  
and I can t do this alone.

**C**  
I am scared to change,  
**Bm**  
To stay the same,  
**C**  
When I m calling out your name.

**G**  
Take it easy on me,  
**Bm**  
Take it easy on me,  
**C**

I will trust you,

**G**

**C**

I will let you hurt me carefully.

**G**

Take it easy on me,

**Bm**

I break easily

**C**

**G**

**C**

and this steel butterfly will learn to fly eventually..

**Am**

**Em**

God take it easy on me.

**Em**

When I talk like that,

**C**

When I tear me apart.

**G**

When I raise my voice,

**Bm**

I break my heart.

**Em**

But if I gave it up,

**C**

let the wall come down,

**G**

Would you take my hand?

**Bm**

Would you show me how?

**C**

I don't know my place,

**Bm**

I don't know my own face,

**C**

or all the lines I can't erase.

**G**

Take it easy on me,

**Bm**

Take it easy on me,

**C**

I will trust you,

**G**

**C**

I will let you hurt me carefully.

**G**

Take it easy on me,

**Bm**

I break easily

**C**

**G**

**C**

and this steel butterfly will learn to fly eventually..

**Am**

**G**

God take it easy on me.

**C** **G**  
No, I was never one to lean on.  
**C** **D** **G**  
Fighting this war against the wind.  
**Bm** **C**  
When I find ground to rest my feet on.  
**Am** **C**  
I will lay my weapons down..

**Em C G Bm**

**G**  
Take it easy on me,  
**Bm**  
Take it easy on me,  
**C**  
I will trust you,  
**G** **C**  
I will let you hurt me carefully.  
**G**  
Take it easy on me,  
**Bm**  
I break easily  
**C** **G** **C**  
and this steel butterfly will learn to fly eventually..  
**Am** **G**  
God take it easy on me.
