Bethany Joy Lenz

**C** **Em** **C** **Em** **Am**  
Woe is me, something dramatic like I could be  
Ophelia

**C** **Em** **C** **Am**  
Love s labor lost, before it began

**C**  
Iâ€™m not trying to be clever

**Em** **Am**  
Iâ€™m just saying what I am  
Ophelia

**E** **Am**  
Oh, Iâ€™m turning over will

**E** **Am**  
And Iâ€™m cleaning up this holy mess I made

**C** **Em**  
Everythingâ€™s fine

**C** **Em**  
Everythingâ€™s okay

**C** **Am**  
Everybody loves a fool

**C** **Em** **Am**  
Everybody walks away  
Everybody walks away

**C** **Em**  
Oh, my love

**C** **Em** **Am**  
Oh alas, this has been such a sad affair

**C**  
Such a sad affair

**E** **Am**  
Well here I go again

**E** **Am**  
Iâ€™m sinking in my faithlessness and fear

**C** **Em**  
Everythingâ€™s fine

**C** **Em**  
Everythingâ€™s okay

**C** **Am**  
Everybody loves a fool

**C** **Em** **Am**  
Everybody walks away  
Everybody walks away

**E** **Am**  
Oh, Iâ€™m turning over will

**E** **Am**  
And Iâ€™m cleaning up this holy mess I made

**C** **Am**  
I want to feel your arms around me

**C** **Am**  
I want to know your love is real

**C** **Am**  
I want to give you all youâ€™ve given to me

**Em**  
But Iâ€™m still afraid to leave, to you

**C** **Em** **C** **Em** **Am**  
Woe is me, something dramatic like I could be  
Ophelia
