One Thing Remains

This chord chart is really based off of multiple versions of the song, from Kristian Stanfill to Bethel and Jesus Culture. So, basically it is my own interpretation that I plan on using for worship in my hometown church. Capo where needed to sing. Also if you re feeling adventurous, I ended up tuning the high E to an Eb and only leaving the high string out when playing the **F#maj** chord. Please comment with your suggestions and thoughts!

One thing remains

One thing remains
