

Come To Me

I am the Lord your peace, I go before you now
I stand beside you, and I m all around you
Though you feel I m far away, I m closer than your breath
And I am with you, more than you know

I am the Lord your peace, no evil will conquer me
So steady now your heart and mind, come into my rest
And oh let your faith arise, and lift up your weary head

Come---to-me, I m all you need
Come-to-me, I m everything
Come---to---me, I m all you need
Come---to---me, I m your everything
