Come To Me
Bethel Music

[Verse 1]

```
        G#                            C#
I am the Lord your peace, I go before you now
          Eb                    C#
I stand beside you, and I m all around you
                      G#                      C#
Though you feel I m far away, I m closer than your breath
            Eb                   C#
And I am with you, more than you know
```

[Verse 2]

```
          G#                             C#
I am the Lord your peace, no evil will conquer me
                    Eb                        C#
So steady now your heart and mind, come into my rest
                  G#                      C#
And oh let your faith arise, and lift up your weary head
      Eb                       C#
I am with you, where ever you go
```

[Chorus]

```
C#        Eb  Fm  C#              G#
Come---to-me, I m all you need
C#      Eb  Fm  C#         G#
Come-to-me, I m everything
C#        Eb   Fm  C#              G#
Come---to---me, I m all you need
C#        Eb   Fm  C#              G#
Come---to---me, I m your everything
```

[Verse 3]

```
  Eb                              C#
I am your anchor in the wind and the waves
    Eb                          C#
And I am your steadfast, so don t be afraid
            Eb
Though your heart and flesh my fail you
              C#
I m you re your faith and strength
          Eb                          Bbm, G# ,C#
```

And I am with you, where ever you go
