[Intro]

F#

[Verse 1]

```
            F#                                  G#m
The life You gave, Your body was broken
B
Your love poured out, You bled and You died for me
                D#m           C#                                        B
There on that cross, You breathed Your last as you were crucified

You gave it all for me
```

[Chorus 1]

```
B      G#m               F#
Hallelujah, what a Savior
B      G#m               F#
Hallelujah, what a friend
B      G#m               F#
Hallelujah, King forever
B      G#m                   F#
We thank You for the cross
```

[Verse 2]

```
            F#                                G#m
There in the ground, sealed in the darkness
          B
Lifeless laid, the frame of the Father s son
      D#m        C#                    A#m           B
In agony, He watched His only Son be sacrificed
```

```
He gave it all for me

[Verse 3]

              F#                                              G#m
But on that day, what seemed as the darkest hour
              B                           C#
A violent hope, broke through and shook the ground
                  D#m          C#              A#m                        B
And as You rose, The Light of all the world was magnified
                      C#
And You rose in victory

[Chorus 2]

B        G#m           F#
Hallelujah, it is finished
B        G#m           F#
Hallelujah, it is done
B        G#m             F#
Hallelujah King forever
B        G#m                   F#
We thank you for the cross

[End tag]

B       G#m                         F#
And though our sins are scarlet
B             G#m                       F#
You have made us white as snow
