[Intro]

G

[Verse 1]

```
                    G                              Am
The life You gave, Your body was broken
C
Your love poured out, You bled and You died for me
                    Em            D                                      C
There on that cross, You breathed Your last as you were crucified

You gave it all for me
```

[Chorus 1]

```
C      Am              G
Hallelujah, what a Savior
C      Am              G
Hallelujah, what a friend
C      Am              G
Hallelujah, King forever
C      Am                  G
We thank You for the cross
```

[Verse 2]

```
                  G                            Am
There in the ground, sealed in the darkness
            C
Lifeless laid, the frame of the Father s son
        Em        D                  Bm            C
In agony, He watched His only Son be sacrificed
```

He gave it all for me

[Verse 3]

```
                 G                                                      Am
But on that day, what seemed as the darkest hour
              C                                    D
A violent hope, broke through and shook the ground
                      Em            D             Bm                       C
And as You rose, The Light of all the world was magnified
                        D
And You rose in victory
```

[Chorus 2]

```
C        Am           G
Hallelujah, it is finished
C        Am           G
Hallelujah, it is done
C        Am             G
Hallelujah King forever
C        Am                   G
We thank you for the cross
```

[End tag]

```
C        Am                        G
And though our sins are scarlet
C           Am                       G
You have made us white as snow
```
