[Intro]

G#

[Verse 1]

```
            G#                                    Bbm
The life You gave, Your body was broken
C#
Your love poured out, You bled and You died for me
                  Fm            Eb                                          C#
There on that cross, You breathed Your last as you were crucified

You gave it all for me
```

[Chorus 1]

```
C#      Bbm                 G#
Hallelujah, what a Savior
C#      Bbm                 G#
Hallelujah, what a friend
C#      Bbm                 G#
Hallelujah, King forever
C#      Bbm                    G#
We thank You for the cross
```

[Verse 2]

```
               G#                              Bbm
There in the ground, sealed in the darkness
         C#
Lifeless laid, the frame of the Father s son
      Fm        Eb                   Cm              C#
In agony, He watched His only Son be sacrificed
```

He gave it all for me

[Verse 3]

```
                  G#                                               Bbm
But on that day, what seemed as the darkest hour
            C#                              Eb
A violent hope, broke through and shook the ground
                    Fm          Eb                Cm                    C#
And as You rose, The Light of all the world was magnified
                        Eb
And You rose in victory
```

[Chorus 2]

```
C#        Bbm          G#
Hallelujah, it is finished
C#        Bbm          G#
Hallelujah, it is done
C#        Bbm                G#
Hallelujah King forever
C#        Bbm                      G#
We thank you for the cross
```

```
C#        Bbm                            G#
And though our sins are scarlet
C#                Bbm                      G#
You have made us white as snow
```
