Em D C#

In the night I feel the cold of my loneliness

Em

Cold that embraces my heart

D

C#

Draining my strength to the fight

D

Only to breathe this suffering

Em

D

Tell me why?

Bm

Why must I bear this cross

C#

So heavy for my soul?

D

Please hold me in your love

Em

D

I am the keeper of his heart

C#

I was sent to take care of his sweetness

Em

D

Never I ll forget his love

C#

Never I ll forget the light

D

That shone in his eyes

Em

D

Let me fly, let me be free

Bm

To stay with him beyond this life

C#

Run across the sky

D

Let me see the sun again

Em

Let me die

G

Give me the light

D

C#

Am

I m waiting for death to knock on my door to release my pain

D

My sadness in the night

Em

Let me die

G

Give me the light

D

C#

Am

I m waiting for death to knock on my door to release my pain

D

Em

My sadness in the night, forevermore

D, (Em)

Em **D** **C#**
 Every day I dream of sunlight in my dark room
Em
 I want to find a reason why
D **C#**
 Justify my reason to stay alive
D
 Within this pain

Em **D**
Tell me why?

Bm
Why must I bear this cross

C#
So heavy for my soul?

D
Please hold me in your love

Em
Let me die

G
Give me the light

D **C#** **Am**
I m waiting for death to knock on my door to release my pain

D
My sadness in the night

Let me die
Give me the light
I m waiting for death to knock on my door, to release my pain
My sadness in the night
