It s the voice of hope it s the voice of peace it s the voice of every man.

From a distance we all have enough and no one is in need.

And there are no guns no bombs and no disease no hungry mouths to feed.

From a distance we are instruments marching in a common band.

Playing songs of hope playing songs of peace - they re the songs of every man.

C D G Em C D G
God is watching us. God is watching us. God is watching us from a distance.

From a distance you look like my friend even though we are at war.
From a distance I just cannot comprehend what all this fighting is for.
From a distance there is harmony and it echoes through the land.
And it s the hope of hopes it s the love of loves it s the heart of every man.
It s the hope of hopes it s the love of loves - This is the song of every man.

And God is watching us God is watching us God is watching us from a distance.

Oh God is watching us God is watching. God is watching us from a distance.
