Meth Head
Better Off

[Verse]
```
                 C#m         A
I ve been walking back steps all alone
         C#m        E
Hoping to hide the smell of cigarette smoke in my clothes
C#m          A
You said it s  cool  that I was trying to breathe in
C#m  D#9    Em
 I suck in smoke. My hesitation will always win
```

[Chorus]
```
C#m                          B
I ve been looking for the back door
                         E              A
Running out Cause    everyone is sick
            C#m    B                            E
Everyone is sick of you and me trying to turn our blues to black
          A
We put the devil into everything
```

[Interlude]
C#m A C#m D#9 E
C#m A C#m D#9 E

[Verse]
```
                    C#m A
I ve been bleeding black blood all along
          C#m   D#9
Try to speak, watch me choke
E
Hold a knife to my throat
C#m A
Keeping secrets like our fathers taught us to
C#m D#9     E
  Pile up lies so I can lie in them with you
C#m                         B
I ve been looking for the back door
        E
Running out
                A
Cause everyone is sick
          C#m         B                          E
Everyone is sick of you and me trying to turn our blues to black
          A
```

We put the devil into everything

[Bridge]
C#m A C#m A E   C#m A C#m A E
          I took my time   Please unlock that door
C#m A C#m A E   C#m A C#m A E
              Well I took my time
C#m   B
I m sorry, please unlock that door now

[Chorus]
C#m   B
I ve been looking for the back door

Running out
E   A
Cause everyone is sick
          C#m   B   E
Everyone is sick of you and me trying to turn our blues to black
          A
We put the devil into everything
