I make no claims or warranties on this. If I got something wrong then please let me know. And if you happen to know what in the hell the background vocals are saying then by all means let me know!

D Bm
Well how the times have changed
G A/Asus2
Looking back it seems so clear now
D Bm A
Everything you wanted in your life
A/Asus2
Everything is certain
D Bm
Try and understand
G A
put a checklist on your wall
D Bm A/Asus2
I am not what you think I should be

Chorus:

G Bm
But your making amends
A Bm
for your circle of friends
G Bm A
And your trying to fit me to their mold

Riff:

Bm G Bm D
Bm G Bm D

Verse 2:

When you try and make decisions
will you try and water this thing down?
Look up once in a while, you ll see it s not so clear.
The things you believe in are the things that s worth keeping
Make a promise stand right by your word.

Chorus
