Better Than Ezra**

D **C**
For the cause?

D **C**
Their ways are wrong
D **C**
Help them see
D **C** **D** **C**
What they want and what they need?
G **Em**
And if we have to twist their arms
A
They know not what they do is wrong

CHORUS:

D **Bm** **F#maj7**
And if you said I would go to heaven
D **Bm** **A**
Now, maybe I ll try
D **Bm** **F#maj7** **D**
And if you said I would go to heaven
Bm **F#maj7** **A** **D**
Now maybe I ll, maybe I ll, maybe I ll try

the rest is the same...

VERSE:

Heretics and hypocrites
Wear the same face through the years
Of telling lies
And laying blame
Damn the fire then feed the flame
Don t dance, or sing, or try to think
Their image is planted in your head

CHORUS:

And if you said I would go to heaven

Now, maybe I ll try

And if you said I would be a rich man

Now maybe I ll, maybe I ll, maybe I ll try

VERSE:

Ivy is just a dog

With a heart that s noble as

The greatest man

Who ever lived

Won t you please help her learn?

And if we have to twist her arm

She knows not what she does is wrong

CHORUS:

And if you said I would go to heaven

Now, maybe I ll try

And if you said I would go to heaven

Now maybe I ll, maybe I ll, maybe I ll try

Maybe I ll try.

Maybe I ll try.
