

Hey Love
Better Than Ezra

A great track from the new album Paper Empire. Fairly simple to play. The G and F sound best playing them barred. I think the lyrics are right... Kevin Griffin's falsetto voice can be hard to understand sometimes.

Have fun playing! Rate/comment if you like it!

[Verse]

C **G**
I haven't felt you for a while
Am **F**
I haven't had much opportunity to smile
C **G**
I see you in the eyes of couples passing by
Am **G/Am** **F**
A soulmate's kiss, the innocence, too long I've been denied

[Chorus]

C **G**
Hey love, where you going?
Am **F**
Hey love, how you been?
C **G**
I wish you'd stay a little longer
Am **G/Am** **F**
No, that's ok, I'll understand, maybe another day
Dm **F** **G** **C** **G** **Am** **F**
Hey love, old friend, there you go again

[Verse]

C **G**
I found a photo and you were there
Am **G/Am** **F**
Captured in our faces just before you disappeared
C **G**
It was nice to know you, if only for a while
Am **G/Am** **F**
You come and go with a sweet hello and a bittersweet goodbye

[Chorus]

C **G**
Hey love, where you going?
Am **F**
Hey love, how you been?
C **G**
I wish you'd stay a little longer

Am G/Am F
But, that s ok, I ll understand, maybe another day
Dm F G Am G F
Hey love, old friend, there you go again

[Bridge]

Am G F
I don t know where I am
Am G F
I don t know
Dm F G
I don t know where I am

[Verse]

C G
And if every new beginning is just another s end
Am G/Am F
Tell me love, why should I begin... again?

[Chorus]

C G
Hey love, where you going?
Am F
Hey love, how you been?
C G
Well I wish you d stay, stay a little longer
Am G/Am F
No, that s ok, I ll understand, maybe another day
Dm F G C
Hey love, old friend, there you go again
G Am F
There you go again. Can you come back?
C G
Can you come back love? Can you come back?
Am F
Can you come back love?
