

Just One Day
Better Than Ezra

Another easy song from the new album. You can play all the chords open, but I like to played the Csus2 barred like so: x35533
Have fun playing! Rate/comment if you like it!

Em-C-G-D

[Verse]

Em **C**
If you could change the choices that you made,

G D
Would you do it- today?

Em **C**
If you could spin the world the other way,

G D
Could you do it on faith?
Am C D
If time would stand still,

[Chorus]

G D
What would you do? What would you say?
Em C
If everyone you loved came back for just one day?

How would it feel if every dream came real?

Em C
And all the scars you had fade away
For just one day
