Intro: **D A Em G** 2x

-VERSE 1-----

**D** **A**  
We were standing in an empty room  
**Em** **G**  
The moonlight was falling  
**D** **A** **Em** **G**  
You were holding my hand when the car pulled up for you  
**D** **A**  
And I could have spent a life with you  
**Em** **G**  
But those days were over  
**D** **A** **Em** **G**  
You were calling my name when your face faded from view  
**Em** **G** **D** **A**  
And wasn't it you who told me the sun would always chase the day  
**Em** **G**  
And wasn't it you who told me:

-----  
-CHORUS-----

**D** **A** **Em** **G**  
Angels fly in the air tonight  
**D** **A** **Em** **G**  
Saying wasn't it just like swimming out on the lake?  
**D** **A** **Em** **G**  
And stars collide and the air's alive  
**D** **A** **Em**  
Or was it just like those promises that you made  
**G** **D**  
On our last night?

-----  
-VERSE 2-----

**D** **A**  
I remember waking up with you  
**Em** **G**  
The days doing nothing

D A Em G  
You meant more to me than I think you ever knew.

D A  
But you were gonna be a doctor, movie star

Em G  
A poet at a Nobel seminar

D A Em G  
I hope the world never tore that out of you

Cause wasn't it you who told me the sun would always chase the day  
Yeah wasn't it you who told me:

-----  
-CHORUS-

D A Em G  
Angels fly in the air tonight

D A Em G  
Saying wasn't it just like swimming out on the lake?

D A Em G  
And stars collide and the air's alive

D A Em  
Or was it just like those promises that you made

G D  
On our last night?

And what ever happened to the things you loved

D A  
And the songs we played, and the indian days

Em G D  
Whatever happened to the things you gave away?

A Em G D  
Like Harold and Maude singing

A Em G D  
Like Harold and Maude singing

A Em G D  
A Em G D

-VERSE 3-

D A  
I was waving as you drove away

The sunlight was falling

D A Em  
You were writing backwards in a dusty window pane

Angels fly in the air tonight

Saying wasn't it just like swimming out on the lake?
