

**Under You
Better Than Ezra**

My first tab so be gentle :) I ve been tryin to figure out this song forever,
cause
its a great song, and have never found a tab for it on the net so I sat down and
plowed
through it. email any comments suggestions or corrections to mwhall@achamps.com.
There
is picking in there on the electric part, these are just the basic chords to the
best
of my ear. Figure out the picking for yerselves.

Cheers
matt

Intro:
G Dsus2 x2

Verse 1:
G **Dsus2**
Along the edges, colors blur and seem familiar.
G
While you read your magazine,
Dsus2
I was counting all the markers.
G **Dsus2**
And California seemed to draw you like a siren
G **Dsus2**
from a postcard, or a letter, in a frame of film melting.

Chorus
Em **C** **Em** **A**
But under you, I feel your breath move in, out slowly.
Em **C** **Em** **A** **C**
Under you, let go completely feeling you take over me.

(In between verses play the verse chord progression G-Dsus2)

Verse 2:
G Dsus2

A Hollywood flat where we'd laugh about our fortunes

G Dsus2

where we held jobs in this bar down at 3rd and San Vicente.

G Dsus2

And Ramen Noodles at 4:30 in the morning,

G Dsus2

When we barely could survive, I was never more alive.

Chorus

Em C Em A

Under you, I feel your blood flowing out slowly.

Em C Em A C

Under you, let go completely feeling you take over me

For the break with the strings part the chord progression is:

G/C/G/C/Em/Dsus2/C

Verse 3:

G

You moved in slow degrees

Dsus2

A sudden memory

G Dsus2

You're a Leonard Cohen song

G Dsus2

But every now and then I'd swear

G

I see you standing on a sidewalk, in a

Dsus2

restaurant, from a taxi cab passing.

Chorus

Em C Em A

Under you I feel you moving in, out slowly

Em C Em A C

under you let go completely feeling you take over me.

C G

Take over me.

Repeat verse progression out.
