WWOZ s on in stereo
String of flowers haloed around your head
Candlelight, the ceiling fan
Curtains blow away and back again
Back again...

Am C Am
Don t wake me, I think I m in a dream

G D D4-D-D2
Sleepin is easy
Am
I used to lay in bed for hours
Waited a lifetime now maybe I ll learn

Calling back and forth through heavy air
The barges sound their warnings in the dark
Peace comes like a trusted friend
As it starts to rain again...fall away...
Fall away...

Am C D

Don't wake me, I think I'm in a dream

G D D4-D-D2

Sleepin' is easy

Am C

Used to lay in bed for hours

I've waited a lifetime, maybe I'll learn

G D D4-D-D2

Sleepin' is easy

Am

Used to walk the streets for hours

I've waited a lifetime, maybe I've learned

Let go of your fear, let's grow old together

Find a place along the way

Let's reel through the years

Each makes the other better.

But what thoughts can I call allies

when this circle of ribs keeps working on its own?

Chorus

WWOZ is on in stereo. Well it's on in stereo.
