Bm **A** **D** **Dsus4** **D**

Boredom always lurks within strange places

Bm **G** **D** **Dsus4** **D**

Still I find a way to feed my mind

Bm **A** **D** **Dsus4** **D**

The worlds collide between those faces

Bm **G** **D** **Dsus4** **D**

And never share of what goes on inside

A **Bm** **E** **A**

If I apologise for every crutch I uses

Bm **D** **E** **G**

I gues I never would have walked inside those shoes

Bm **A** **D** **Dsus4** **D**

Behold the world that I ve been shapin

Bm G D Dsus4 D

I never said that I belong

Bm A D Dsus4 D

in other words have I been flakin

Bm G D Dsus4 D

without you knowing what I ve done

A Bm E A

If I apologise for every crutch I uses

Bm D E G -let ring-

I gues I never would have walked inside those shoes

Bm A

So let me down down down let it bubble all around me

G D

always something after.....

Bm

So let me down down down

A

let the showeriness surround you

G G* G G* G G* G -stop- G G* G G* G G* G -stop-

Let it drown you

>From the in my eyes I can see the world

spinning

never satisfied

And though it s plain to see

.....set for me

Don t believe every word that they say

So let me down.....

A part of my mind will never understand

Why it s close at hand

It s never out of sight

and though it s part of me, they re never going to see

don t believe every word that they say

don t believe every word that they say
