```

Am **G** **C** **Csus4** **C**

Boredom always lurks within strange places

Am **F** **C** **Csus4** **C**

Still I find a way to feed my mind

Am **G** **C** **Csus4** **C**

The worlds collide between those faces

Am **F** **C** **Csus4** **C**

And never share of what goes on inside

G **Am** **D** **G**

If I apologise for every crutch I uses

Am **C** **D** **F**

I gues I never would have walked inside those shoes

Am **G** **C** **Csus4** **C**

Behold the world that I ve been shapin

Am F C Csus4 C

I never said that I belong

Am G C Csus4 C

in other words have I been flakin

Am F C Csus4 C

without you knowing what I ve done

G Am D G

If I apologise for every crutch I uses

Am C D F -let ring-

I gues I never would have walked inside those shoes

Am G

So let me down down down let it bubble all around me

F C

always something after.....

Am

So let me down down down

G

let the showerness surround you

F F* F F* F F* F -stop- F F* F F* F F* F -stop-

Let it drown you

>From the in my eyes I can see the world

spinning

never satisfied

And though it s plain to see

.....set for me

Don t believe every word that they say

So let me down.....

A part of my mind will never understand

Why it s close at hand

It s never out of sight

and though it s part of me, they re never going to see

don t believe every word that they say

don t believe every word that they say
