There are several words that I could not decipher, so I
left them as dashes. Also, some lyrics have question marks,
for the same reason.
I usually add some extra notes in some of the changes.
In the A4 - C change, I play D-C-B on the B string,
and in the C - G change, I play the bass line (E-F#-G on
the low E string).

G#4 = 002230
